

Learn more about who benefits from Habitat Homes in our community.

Kate's story embodies the heart and soul of Habitat for Humanity. Hers is a journey of hope, resilience, and partnership, and it couldn't be possible without you.

Kate was born and raised in Quilcene. After teaching internationally, Kate moved back to Quilcene, with her husband Santi and three beautiful children, to continue her teaching career in the local schools. But they couldn't find a place to live. Think of that! A teacher in our schools, earning a decent living, and still no place to call home!

**Please consider a year-end gift to help build homes for families like Kate's.**

Last year Kate and Santi began a partnership with Habitat to build a home for their family. After investing hundreds of hours of sweat equity and taking on an affordable mortgage, they will move into their new home in early 2024 with peace of mind that their children will be safe and secure!

**Your contribution makes it possible** for families like Kate and Santi's to contribute their skills and talents to our community, work in local businesses, teach in our schools, and watch their families thrive.

We recently welcomed nine more families into our homeownership program. Each one is eager to build a strong foundation where their children can grow, reach their educational goals, and experience improved health. But the road to homeownership is riddled with challenges, including the staggering cost of construction.

**Help us meet a \$100,000 challenge:  
donate by December 31 and your gift will double its impact!**

**Please give today!**

Your gift helps close the gap between the cost to build and an affordable mortgage. Every dollar you contribute will be matched, doubling the impact of your generosity. This means your gift will go even farther in helping families build a brighter future.

Habitat for Humanity is not just about building houses; it's about building futures, hope, and stronger communities. With your support we can continue to make this possible, one family at a time.

**Your generosity inspires hope.**

Your involvement, partnership and compassion are the forces that fuel our mission and your generosity transforms lives and communities.

And remember, your gift will double if made by December 31, thanks to the \$100,000 challenge from a group of Habitat donors - your neighbors - who also believe that everyone deserves a decent place to live.

**Thank you for being an integral part of our community.** Your generosity creates ripples of change that will be felt for generations to come. Together we build brighter futures, one home, one family at a time.

With heartfelt gratitude and warmest wishes,

Jamie Maciejewski  
Executive Director and Monthly Supporter  
Habitat for Humanity of East Jefferson County
